

“Like arrows in the hand of a warrior, So are the children of one’s youth.”

Psalm 127:4 NKJV

Little Arrows Preschool at Calvary Chapel is a program designed for three and four year olds. They will be in a fun and engaging learning environment that meets the needs of each child.

It will allow them to be socially active and learn to work together as a group. We will guide and encourage the children to grow socially, emotionally, physically, and most importantly spiritually.

Our Christ-loving teachers will model and teach Christian principals such as love, patience, kindness, compassion, self control, and forgiveness.

This teaching style, along with social interaction, will help with:

- Creativity and expression
- Cooperation with others
- Physical development
- Independence
- Self-confidence
- Vocabulary
- Curiosity and a desire to learn
- Awareness of a loving God!
