**Remember to label all items with the student’s name.**

It is preferred that the following items be plain, without pictures or themes: book bags, lunch boxes, folders, notebooks, pens, pencils and footwear. This helps to minimize distractions. In the event that you are unable to find these supplies without graphics, however, these personal items may have pictures and themes as long as they are not displaying potentially objective material such as Harry Potter, Pokémon, skeletons, secular rock groups, etc.

Thank you for your cooperation!
